Through the Surgeon General with the Government of Madras, Madras.

S i r,

Leprosy Council--South Kanara--Auditing of Accounts.

In accordance with the instructions issued in G. O. No. Mis. 1027 P.H. dated 3rd May 1935, I have had the accounts of the South Kanara District Leprosy Council audited for 1934. The Calendar year was chosen because the Leprosy Council was instituted at a meeting held on the 22nd December 1933. The audit was done by Mr. A. Ummanath Rao who is a registered accountant.

It will be observed that the auditor has given a clear certificate. He informed me that he found everything in order and that all expenditure was duly authorised at meetings of the Council according to the Minute Book. Most of the credit for this is due to the careful work of Dr. Subraya Baliga, the District Health Officer and the Secretary of the Council.

Your obedient servant,

Gawne

Collector.
